***Information Disclosure Statement***

The information disclosure statement filed 02/28/05 fails to comply with 37 CFR 1.97(d) because it lacks a statement as specified in 37 CFR 1.97(e). It has been placed in the application file, but the information referred to therein has not been considered.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to José V. Chen whose telephone number is (571)272-6865. The examiner can normally be reached on m-f, m-th 5:30am-3:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Lanna Mai can be reached on (571)272-6867. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).

structure. One of ordinary skill in the art with respect to the patent to Meincer would have looked to the teachings of Lawson to include a means (adhesion) to provide a unitary structure to aid in movement of a loaded unit. It is noted that any structure is disposable and wood, paper, plastics are materials that are readily recyclable.

For the above reasons, it is believed that the rejections should be sustained.

Respectfully submitted,  
  
Jose V. Chen  
Primary Examiner
